LK9221	Rescue Blanket (Disposable) (1 ea pkg)

I.L.S.C. INFECTIOUS LIQUID SPILL CONTROL POWDER

I.L.S.C. powder is designed to allow safe and effective cleanup of infectious body fluids such as blood, urine, vomit, etc.

Sprinkle I.L.S.C. on the spill and wait (1) minute for the liquid to gel. A scraper, dust pan, or stiff cardboard will then easily pick up the spill, leaving the area sanitized.

We suggest wearing latex gloves to prevent accidental contamination.

LK9224 I.L.S.C - 4 oz. in Shaker Bottle
